

CAPABILITY STATEMENT

SBA 8(a) Certified and Native Hawaiian Organization (NHO)-owned, Hilo offers unique contracting benefits like other Native American owned businesses. These benefits include:

- **No Sole Source Dollar Threshold – 13CFR124.506(b)(2):**
The DoD may award a direct award 8(a) contract to a concern owned and controlled by an NHO where the anticipated value of the procurement exceeds the applicable competitive thresholds if the SBA has not already accepted this requirement into the 8(a) BD program as a competitive procurement. NHOs provide a unique competitive advantage in being able to receive DoD direct awards of any size. This decreases time and cost in the procurement process, and allows clients to work one on one with firms to ensure the needs of the government are met.
- **Awards cannot be protested.** Awards to Hilo cannot be protested per **13 CFR 124.517(a)**
- **No procurement competition.** There is no requirement to compete procurements to Hilo before a sole source award per **13 CFR 124.506(b)(3)**
- **Follow-on to competitive awards can be sole sourced.**
As an NHO, Hilo may receive sole source awards after a contract was competitively awarded in the 8(a) program
- **Faster procurements via Alpha Contracting.** Hilo can work jointly with the Government to reduce procurement time, develop the statement of work, and provide a better solution via “Alpha Contracting”
